

## High Performance High Quality Multi-Grade Diesel Engine Oil

CAPRON TURBO is a high level diesel engine oil produced from high viscosity indexed base oils blended with the newest technology additives which provides the best engine protection. Its advance formula prevents sludge and deposit formation that helps the engine running like new.

### Performance levels & Characteristics

#### ● API CF-4/CF/SJ

SAE Grade ►	15W-40	20W-50	ASTM
▼ Characteristics	Full Synthetic	SemiSynthetic	
Kinematic viscosity @100°C, cSt	15.5	19	D-445
Kinematic viscosity @40°C, cSt	-	-	D-445
Viscosity Index (VI)	135	125	D-2270
Flash Point, °C	215	225	D-92
Pour Point, °C	-27	-24	D-97
TBN, mg KOH/g	12	12	D-2869
Density @15°C, g/m <sup>3</sup>	0.885	0.890	D-1298
CCS, cP	@-20 °C ≤7000	@-15 °C ≤9500	D-5293

### Applications

- For all automotive high-speed four-stroke, supercharged and turbocharged diesel engines when above performance levels are recommended.
- Suitable for civil and road operation, also for mining and agriculture machines.
- An excellent choice to use for Benz, VOLVO, SCANIA, Cummins, Deutz, Mack and Renault trucks

### Advantages

- High performance diesel engine oil also suitable for marine engines.
- High alkalinity to neutralize the acidic properties of fuel combustion to extend oil life time.
- Viscosity protection at high operation temperature. Best thermal and oxidation resistance
- Improved low temperature start-up lubrication and minimizing deposit formation at low temperature specially during short distance driving.
- Suitable for all weather condition and minimizes fuel consumption.
- Excellent anti wear anti corrosion and great detergent and dispersant.

Available in : 20L - 208 L
